

Do something nice for a colleague with an anonymous note to 'pay it forward'.

01

Create a funny social media video with your colleagues.

10

Address conflict directly, as an exploration of differences.

02

Top 10

Ask a student how their learning could be more interesting and share with others.

09

Ways to Improve School Climate

Solicit feedback from people, so it's known you are receptive even to unpleasant input.

03

Post something constructive about your school on social media.

08

Ask somebody each day how their resilience is trending.

04

Clean up or beautify a part of the school building.

07

05

06

Smile at people when you see them in the hallway.

Talk to somebody new each day, finding something unique about their life.
